LATSIA MUNICIPALITY

G.KALLENOS DEVELOPERS LTD is proud to present its new development which is located at Latsia's busiest road, Yiannou Kranidioti Avenue. The plot is only 150m away from Latsia Municipality headquarters and 150m away from the new road witch connects Latsia with the new GSP stadium round about. This road offers the benefit of fast and easy access towards the city center and all the other cities.

The building consists of 7 open plan office spaces / apartments and 2 showrooms. Another great benefit of the project is the Municipal Parking which is located just in front of our building offering many parking spaces for customers and visitors.
